## **Oct. 11 Workshop Helps Residents Save on Solar Installations and Zero-Emission Vehicles**

Concord, Calif. (Oct. 9, 2018) – Thinking about adding solar to your home or wondering if a zero-emission vehicle is right for you? The City of Concord will host a free workshop on the new SunShares program on **Thursday, October 11 at 6:30 p.m.** in the City Council Chamber at Civic Center, 1950 Parkside Drive.

SunShares is a group buying and renewable energy program offering residents discounts on rooftop solar installations and zero-emission vehicles. SunShares offers an approximately 15% discount on solar installation and pre-vetted solar providers, as well as discounts on the 2018 Nissan Leaf and Toyota Mirai. Sign up at <http://www.bayareasunshares.org> by November 15.

In addition to the Bay Area SunShares Program, you can still take advantage of the 30% federal tax credit which can be applied to other energy efficiency upgrades such as insulation, re-roofing for solar, energy storage, and electrical service box upgrades.

**Please register for the workshop through this link: [Eventbrite.com](https://www.eventbrite.com).**
