INSURANCE REQUIREMENTS - DETAIL

A. Insurance - General
All insurance policies shall bear an endorsement, or shall have attached a rider, whereby it is provided that, in the event of expiration or proposed cancellation of such policies for any reason whatsoever, the City shall be notified by registered mail not less than 30 days before expiration or cancellation is effective.

At the time of execution of the contract, the Contractor shall, at the Contractor's own expense, procure and maintain in full force and effect at all times during the prosecution of the work and for the duration of the warranty period specified in Section SP 2-03 of these Special Provisions, Worker's Compensation Insurance, Commercial General Liability Insurance and Course of Construction Insurance, as follows:

A policy covering the full liability of the contract, to any and all persons employed by him/her directly or indirectly in or upon said work, or their dependents, in accordance with the provisions of the Labor Code of the State of California relating to Worker's Compensation and Insurance.

A policy for “all risk” construction in an amount sufficient to cover all work performed in accordance with the Contract Documents.

A policy of commercial liability insurance naming the City of Concord, the City Council, its servants, agents, and employees, as additional insured, against all loss from liability, contingent or otherwise, for injury to, or death of, any person or persons or damage to real or personal property, arising in or by reason of, or in connection with, the performance of the work herein contemplated and agreeing to defend against all claims, demands, actions, or legal proceedings made or brought by any person by reason of any such injury, death, or damage and to pay all judgments, interests, costs, legal and other expenses arising out of or in connection therewith. One insurance policy shall cover all risks on the work.

Coverage shall not extend to any indemnity coverage for the active negligence of the additionally insured in any case where an agreement to indemnify the additional insured would be invalid under subdivision (b) of section 2782 of the Civil Code.

The policy mentioned in this section shall be issued by an insurance carrier satisfactory to said City and shall be delivered to the City at the time of delivery of such contract. In lieu of actual delivery of such policies, certificate(s) issued by the insurance carrier showing such policies to be in force for the period covered by the contract may be delivered to the City. Such policies and such certificate(s) shall be of a form approved by the City Attorney of said City. Should any policy be canceled before final completion of the work herein contemplated and the Contractor shall fail to immediately procure other insurance as herein required, then the City may procure such insurance and the cost of such insurance shall be deducted from any monies due the Contractor.

With respect to third party claims against the Contractor, the Contractor waives any and all rights of any type of express or implied indemnity against the City, its City Council, officers, employees or agents (excluding agents who are design professionals).

B. Automobile and Liability Insurance
The Contractor shall furnish the City a policy or certificate of liability insurance in which the City, its officers, and agents, are named as an additional insured with the Contractor. Notwithstanding any inconsistent statement in the policy or any subsequent endorsement attached thereto, the City, its officers, and agents, shall be named as an additional insured covering all operations of the Contractor, whether liability is attributable to the Contractor or the City.

The Contractor shall file with the City a satisfactory "blanket coverage" policy of insurance. The policy shall insure the City, its officers, and employees, while acting within the scope of their duties, against all claims arising out of or in connection with the work.
In those situations where the City, its officers, and agents, are named additional insured with the Contractor, the insurance coverage provided by the Contractor, in accordance with these Specifications, shall be the primary coverage and no other coverage available to City shall be called upon to respond until the limits provided by the Contractor have been exhausted. Contractor shall provide City with evidence of its inclusion in Contractor's insurance, as required by the Specifications, by providing to City a Certificate of Additional Insured Endorsement (ISO Form CG 20 10 11 85).

Except as provided for in Section 7-1.12 of the Standard Specifications, the Contractor shall save, keep, and hold harmless the City, its officers, and agents, from all damages, costs, or expenses in law or equity that may at any time arise or be set up because of damages to property, or of personal injury received by reason of or in the course of performing work, which may be occasioned by any willful or negligent act or omission of the Contractor, any of the Contractor's employees, or any subcontractor. The City will not be liable for any accident, loss, or damage to the work prior to its completion and acceptance, except as provided for in Section 7-1.12 of the Standard Specifications.

C. Worker's Compensation Insurance.
The Contractor's attention is directed to the certification required for Worker's Compensation under the provisions in Section 3700 of the Labor Code.

Before execution of the contract by the City Council, the Contractor shall file with the Engineer the following signed certification:

"I am aware of the provisions of Section 3700 of the Labor Code which required every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this contract."

The form attached in the bid documents shall be executed by the Contractor and submitted with the bid.

The Contractor shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining full force and effect for the duration of the contract, complete Worker's Compensation Insurance, and shall furnish a Certificate of Insurance to the Engineer before execution of the contract. The City, its officers or employees, will not be responsible for any claims in law or equity occasioned by failure of the Contractor to comply with this paragraph.

All compensation insurance policies shall bear an endorsement, or shall have attached a rider, whereby it is provided that, in the event of expiration of proposed cancellation of such policies for any reason, whatsoever, the City shall be notified by registered mail not less than 30 days before expiration or cancellation is effective.

D. Qualifications of Insurer’s
All insurance companies providing coverage to Contractor shall be insurance organizations authorized by the Insurance Commissioner of the State of California to transact the business of insurance in the State of California, and shall have an A.M. Best’s rating of not less than “A:VII.”

NOTE:

1. An additional insured endorsement bearing the designation CG D2 52 01 03 or endorsements containing language similar to that contained in said endorsement is not acceptable by the City and will be rejected.
2. The policy shall stipulate that the insurance afforded the additional insured(s) shall apply as primary insurance. Any other insurance or self-insurance maintained by the City will be excess only and shall not be called upon to contribute with this insurance. Such additional insured coverage shall be provided by a policy provision or by an endorsement providing coverage at least as broad as Additional Insured (Form B) endorsement form CG 2010 as published by the Insurance Services Office (ISO)."
3. The Contractor’s insurance is primary. Any City insurance is to be considered excess.
