

Solar PV Inspection Information

CITY OF CONCORD
Community and Economic Development
Building Division
1950 Parkside Drive, MS/51
Concord, CA 94519
<http://www.cityofconcord.org>

Inspection Hours: Monday through Friday, 9 am to 5 pm

Instructions for performing inspection requests:

Your permit will include instructions for requesting inspections. Please refer to the documents you received upon issuance of the permit.

Requests for Inspection: Inspections may be scheduled by calling the building inspection request voicemail system at 925-671-3109. In the following order, please leave the following information:

- **Permit Number (The number will look like B130012)**
- **Address**
- **Inspection needed (in progress, final, etc.)**
- **Preferred AM or PM inspection time**
- **Contact person and telephone number**

If you need to discuss the inspection with your inspector, or if you would like to schedule a more specific time frame, please call your inspector between 8:30 am and 9 am to discuss the specific timing needs. Your inspector and his or her telephone number will be indicated on the permit documents you receive at time of issuance. If there is no specific inspector listed, please contact a Permit Technician at 925-671-3107 or by email at bldgpermits@cityofconcord.org.

Note that inspectors will endeavor to schedule your inspection within a one hour window. Due to work load or staffing levels a larger window may be needed on some days.
