

Downtown Concord Bike Ride

Join the East Bay Bicycle Coalition on an advocacy ride around downtown Concord to discuss upcoming bike plans for the area.

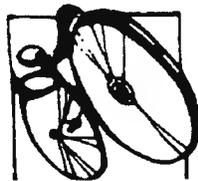

**Meet us at 2pm on October 5th
at the Concord BART Station**

All levels welcome – we will ride in a group with multiple stops to discuss current bike and ped- infrastructure and future street improvements.

Bring your ideas on how to make Concord a more bike-able, walk-able, greener city, and don't forget your bike!

The ride will end at Todos Santos Square and those who wish to continue the conversation will head over to E.J. Phair's Brewery.
