

SEASON HIGHLIGHTS!

Concord's 28th Annual Music & Market Series

The 28th Annual Music & Market Series returns to Todos Santos Plaza featuring a "Cream of the Crop" schedule of Bay Area bands, and one of the best Farmer's Markets anywhere.

The Music & Market Series is an eclectic, award winning series that attracts thousands of people of all ages. For twenty eight years the series has been building community and commerce in downtown Concord. Set in the comfortable and beautiful downtown Todos Santos Plaza, thousands attend weekly for great music, good company, and tasty food.

This year's schedule is brimming with great bands starting Thursday, May 19th, with Cajun Fiddle Master **Tom Rigney & Flambeau** authentically re-creating the sounds and feel of a Louisiana Mardi Gras.

Among first-timers to the series are **The Bird Dogs**, getting accolades for the twin Zmed Brothers, whose familial voices invoke the exquisite vocals and repertoire of the Everly Brothers.

Handsome, youthful, Americana rockers **Kingsborough** will appear on Thursday, June 30th, with rich 4-part harmonies, and genuinely appealing, energetic, original songs. Kingsborough won best North Bay Band last year.

For Soul, Funk, and R&B fans, don't miss **Project 4** on Thursday, August 18. Band leader Gerald Glasper will bring the house down dressed as James Brown and other Funk superstars. World and Latin music lovers should attend the **David Correa Group** on Thursday, June 16th for some great flamenco and Spanish guitar, as well as the co-bill with **Dakila and Da Island Way** on Thursday, July 21 blending Polynesian dance with Latin Rock. Violin and Harp virtuoso **Carlos Reyes** and the Electric Symphony return on Thursday, August 11th.

In memorial to three recently passed, legendary songwriter and performers, the **Jean Genies Tribute to David Bowie** will perform on Thursday, June 23; **Hotel California** 'A Salute to the Eagles' will perform on Thursday, July 14th in memoriam to Glen Frey, and on Thursday, September 8th The Purple One's will pay tribute to Prince. Concord will designate each of those dates as a tribute to David Bowie, Glen Frey and Prince respectively.

Tuesday Blues returns this year with four hot Blues shows each Tuesday 6:30 to 8pm from July 5th to July 26th. In a nod to "Women in Blues", this year's series will open with Concord's own **Annie Sampson**, and close with LA's charismatic blues singer **Shari Puerto** and her all-pro band.

Come see why Concord was picked as one of the ten best cities in the USA for live music by online magazine Livability.com based in Nashville. Concord has a lot to be proud of. A vibrant, trend-setting, downtown summer music scene for twenty eight years running is a beautiful thing to be part of!
