

Centre Concord Parking

While attending an event at Centre Concord you may park in the Clayton Fair Shopping Center. In our ongoing efforts to be a good neighbor to the surrounding businesses, we recommend all guests of Centre Concord park in the green areas of the map.

PLEASE NOTE: The red area indicated on the parking diagram is reserved for dental patients Monday through Friday between 8 a.m. and 5 p.m. Parking in this area during those hours may result in your vehicle being towed.
