Animal Permit Application Checklist

- Location of streets with center lines and edge of right of way shown as well as curbs, gutters, sidewalks, parking areas, driveways, medians and landscaped strips. Street names should be shown along with any proposed right-of-way dedication.
- Location of water troughs, tack rooms, box stalls, corral, etc., for use in maintaining the animal(s).
- Show the development of surrounding property within 75 feet of the perimeter of the subject parcel. Document that no adjacent residences are closer than 50 feet to where the animal will be located.
- PHOTOS.** Several photographs of the project site and adjacent development. It is helpful to produce a panorama or streetscape of the site and surrounding properties by joining several photos.
