City of Concord Events Fact Sheet/FAQ  
(Copy of Proposed Text)

***What is a “Special Event?” Do I need a permit?***

A "Special Event" requiring a Special Event Application is any public event held on City property, and/or requiring City services. Generally, this *excludes* facility rentals, such as Centre Concord, Sleep Train Pavilion, Diablo Creek Golf Course, Camp Concord and community swimming pools.

***Can I rent a City Park?***

No. The City of Concord does not rent-out entire City parks, however areas of the parks may be used for Special Events. Several City parks have picnic areas which may be reserved for a fee and be suitable for smaller group-events which do not require the application process.

***How do I apply?***

Submit a completed application form **at least 6 weeks before the event start date**. This initial application will be reviewed as an information-only application; no fees are due at this time and should not be submitted yet.

***I am charging a fee for my event. Do I need a City of Concord business license?***

Depending on the nature of the event, a commercial business applying for a Special Event Permit may be required to obtain other licenses or permits to operate (see Links)

***Do I have to pay for my Special Event? What costs are involved?***

- Event staff will review your application and determine whether your event can go forward. If so, and if you wish to proceed, at this point it is recommended that the applicant meet with City event staff. The **\$250.00 non-refundable** application fee is due (please note that this amount is a fee and is not applied against the final balance due); the initial application now becomes your final application; **from this point forward the \$250 fee can not be refunded**, whether your event takes place or not.
- By City Council resolution, “...the Event Sponsor shall pay 100% of the cost of providing City services” for special events and may include such services as police, street control, maintenance and cleaning, etc. An estimate of costs will be prepared by events staff and 25% of the estimated amount is due upon its receipt. This amount is applied against the final balance due.  
Unlike an estimate for repairs, for example, the total due is still only an estimate. Your final balance due is calculated after your event is over and is based on existing conditions and circumstances at the time of your event. Whereas every effort is made to prepare the most accurate estimate possible, your final balance may be somewhat higher or lower.  
It is also important to bear in mind that costs can vary greatly depending on the nature of each event and the City services requested by event applicant and/or required by event staff; event staff make the final determination about services required.
- A security deposit (**\$500-\$1500**) may be required, with the amount due to be determined by the estimated size of your event as stated in the application (please note that misrepresenting any aspect of an event may result in denial of approval; events involving unapproved alcohol or amplified sound or failure to provide

required equipment may result in the event being cancelled or shut-down at the sole discretion of law enforcement and/or City staff).

- proof of insurance (a certificate of liability in the amount of \$1 million per occurrence, \$2 million aggregate) is required along with the 25% of estimated charges and the security deposit. A separate endorsement document naming Concord as additional insured must be provided along with the insurance form and must be approved by the City Attorney's Office; ample time must be allowed for the City Attorney to review these documents. Your event can not be approved or take place unless the City Attorney's office has reviewed and approved your insurance documents.
- **Final invoice:** after your event is over, a final billing will be prepared based on the actual costs involved, less the amount pre-paid. Following payment of the final balance due, any security deposit will be refunded unless damages, additional maintenance, or services are assessed.

***Is alcohol consumption or sales allowed at my event?***

Alcohol consumption is subject to the regulations of the State's Department of Alcoholic Beverage Control and approval by the Concord Police Department. It is the responsibility of the applicant to contact the ABC; Concord PD will review your request along with the rest of your completed application.

***Can I have live entertainment at my event?***

In consideration of local neighborhoods and communities, the use of *any* type of amplified sound is not allowed unless it is pre-approved by authorized City staff; unauthorized use may result in your event being cancelled.

***How do I pay the fees?***

Payment in the form of a check should be made payable to the *City of Concord* and can be mailed to

City of Concord  
Downtown Program/City Events  
1950 Parkside Dr. MS 1-B  
Concord CA 94519

or dropped-off at the front desk of the main (City Manager's) wing of the Civic Center at the above address.

***Can I pay fees and deposits online?***

Unfortunately, not at this time.
